

Season ticket car parking access card application

Muiravonside Country Park

Due to a significant reduction in our funding, to help the Park and it's environs become sustainable in the longer term, we have decided to develop a car parking control system at Muiravonside which will charge all cars entering the main car park £1. The car park in the woods will remain free to use and disabled customers are exempt from the charge if they apply for a fob. Thank you for your support of Muiravonside Country Park, with your help we can give your park a brighter future.

In recognition of the impact this charge will have on ease of access for regular visitors an annual season ticket is available which will give unlimited access via a card entry system. If you wish to apply for one of these cards please contact our Bookings Team on 01324 506850 who will take your payment details and arrange for an access card to be sent out to you. It will take a few days for your fob to be posted, alternatively you can collect it in person from Falkirk Community Stadium if you wish to use it immediately. Currently we are unable to accept online applications for the season ticket access cards but we hope to be able to offer this through a new website later in the year.

If you would like to apply for one of these cards please contact our Bookings Team on 01324 506850 The information our team will require is..

- Name
- Email address
- Postal address

Prices

1. **Annual Season ticket = £50**
2. **Community growing plot holder = £20**

Blue Badge holders should bring photo ID and their Blue Badge to Falkirk Stadium if they wish to claim a free access fob.

Terms and conditions

1. The card will be operational for twelve months from the date of issue.
2. The card is designed to let one car into the car park, you may use the card for gaining access in any car you own but you should not use it to let other people not driving your car into the park. Any access card being used to let multiple cars into the car park at the same time will be deactivated and no refunds given.
3. There are no partial refunds if you no longer require your card part way through a year. If you do not think you will use the park more than 50 times in a 12 month period then paying £1 at the barrier may be a better financial option for you.
4. Disabled user fobs may only be used when the blue badge holder is in the car and the Blue Badge is on display. Community Growing plot holder discounted fobs may only be used by plot holders. Abuse of the system will lead to fobs being deactivated.
5. Lost or stolen fobs will be cancelled to prevent future use and a replacement issued for £3 (the cost of a fob and the cost of postage)
6. Purchase of the fob does not guarantee entry if the car park is full.
